Dear Madam Secretary:

I write on behalf of my constituents who are members of The EMR Network with respect to the *Environmental Effects of Radiofrequency Radiation: Petition for Inquiry to Consider Amendment of Rules in Parts 1 and 2, Petition for Inquiry of The EMR Network dated September 25, 2001, and Application for Review dated January 10, 2002*. Please inform me of the status of the application for review that The EMR Network filed on January 10, 2002, to the dismissal letter of Bruce Franca dated December 11, 2001, of its Petition for Inquiry dated September 25, 2001.

Please note that five months have passed since the Application for Review was filed. My constituents are anxious for a response to this action. Would you please advise me or Michael Behan in my office regarding when they can expect the Commissioners to reach a decision on this request? Thank you in advance for your assistance.

[Please distribute copies to all FCC officials listed below.]

Sincerely,

BERNARD SANDERS
Member of Congress
